We'll Make All the Plans for You.

For those on the move, WIT sponsors a number of caravans and rallies organized by your professional WIT Staff. WIT members travel together in the comfort and convenience of their own motor homes to such places as Alaska, Calgary, Canadian Rockies, Maritime Provinces, New Orleans, Washington D.C., and New York. All rallies and caravans are guided by experienced WIT staff members serving as wagonmasters.

As a WIT member, you'll be invited to attend rallies (actually friendly campouts) which take place at local and state/providence levels, and an annual Grand National Rally (GNR) in Forest City, Iowa, home of Winnebago Industries and WIT International headquarters.

Share the Camaraderie and Friendship.

For many, the best thing about WIT is the goodwill and fellowship that develops among members of this exclusive club. There's something for everyone in the wide range of special interest groups existing within WIT for people with travel related interests:

Inquire at the WIT Office for additional information on new and special interest programs currently underway. We look forward to meeting you. Happy motor homing!!
