**CAMPING!**

**CAMPING!**

**CAMPING!**

I believe and think that SPRING is here! So that means we will be getting together soon!!!!

We are going to Mississippi River Park in Canton, Missouri. It is an hour south of Mt. Pleasant on Hwy. 61.

Tues. April 26<sup>th</sup>. Shirley Little and Susie and Clint Hutchings are in charge. I know that Jim and I are looking forward to seeing everybody! At the business meeting we will be having a roll call by answering “What was the funniest incident that has happened (to you and yours) when you were camping?” And let us hear about your winter.

Was it good, full of things happening? (like ours) But I am so thankful that our health is still good.

Also we got to play “Dirty Board” twice. In Texas they play it a little differently, so we played their way a lot.

But it is not the same as being with GOOD and WONDERFUL friends.

Also there have been some WIT by laws changed . So we will be letting everyone know about those.

Winnie Hawks Spring Meeting – May 13-15 Marshalltown – Camping at Riverview park.
