Also at our next business meeting we will have a report from the Officer Search committee, and election of officers.

Jim spoke to Ruth Harms(WIT Chapter Person) and asked her when our chapter began and the date is October, 1971! That means our chapter will be 40 years old!!! This is cause for a party!! Mary Frisbie has an excellent idea! She suggests that we have our October campout at the

Ottumwa park, so that many of our honorary members can attend. She and Morrie have graciously offered to open their house for a meeting and party. We would also like to invite the Winnie Hawk officer's to camp with us. So at our next meeting please bring your thoughts and ideas on this. If you cannot make it, let one of us know your thoughts and ideas on the birthday party. At our last business meeting we set the date October 11, 12 and 13th.

Grand National Rally is now over. It was fun, but very, very, hot!!!! Jim and I went to the President's meeting and learned a great deal of information. We will share all of this with you at our next meeting. Shirley, John, Morrie, Mary, Bill, Sherry and Jim and Roberta and Fred and Norma Hoyer attended.

At the next Grand National Rally our theme will be "WIT's Treasure Island." We will be in charge of the float so we need to be thinking of some ideas.

Iowa Winnie Hawk's Fall meeting will be September 23, 24, 25 at Walnut Acres, in Monticello. Theme is "Hillbilly Farmers Market". Our responsibilities are to be Greeters, Raffles, and Donations.
