THERE HAS A BEEN A CHANGE IN PLANS

Jim was told wrong as to the date of our chapter being chartered!!!! We called Ruth Harms and asked where our 40th anniversary patch was. She said she had mailed it out. Jim said I did not receive it! Come to find out the Iowa Cornbelt Campers will be 40 years old in October. Our chartered date is November 1974. At least I had not mailed out the invitations! We are still going to meet in Ottumwa Park, Thursday October 13, 2011 through Saturday and have a great time! We are so sorry about the confusion.

We had a wonderful time at Clark's Ferry. Missed those who could not attend. We had a election of officers. GUESS who got elected? Yes, you are right, the officers were reelected! We also discussed the upcoming (WAS) birthday party.

It is not to early to think about our part in next year's Grand National Rally. We will be in charge of the float. "Treasure Island" is the theme. Please be thinking of some idea's.

Chapter and State dues are due now. \$10 for the local chapter and \$10 for the state chapter.

Please remit to:

Keith McIntosh – chapter treasurer
9988 Bladensburg Rd.
Ottumwa, IA 52501

Morrie Frisbie – State Treasurer
2878 Oak Meadow Drive
Ottumwa, IA 52501

I forgot to bring this up at the last business meeting. Would it be possible to save calendar's and magazine pictures and put them in plastic sleeves and notebooks. I was talking to our activity director (in Chariton's nursing home) and she loved the idea. She said she could use them for sensory activities. Kathy Isenbrand from North Iowa Travelers, said they do this project every year. What do you think?
